

## EPDM PLAY BINS ARE:

- covered with high-quality EPDM surfacing;
- durable and resistant to vandalism;
- come in various cheerful and colorful designs;
- attract children and adults.

EPDM Play bins not only promotes fun and creativity but also teaches children responsible waste handling. Choose the design that best fits your environment and create a safe and engaging space for children.

## TWO TYPES FOR DIFFERENT NEEDS:

EPDM bins are available in versatile Trio and Solo bin options. Each bin is welded from steel profiles and features an anti-corrosion coating, guaranteeing resilience and longevity.
